Price List No. 18 [1961]

**ALL PRINCIPAL ROADS LEAD TO HILLSDALES
FINE ROSE GARDENS**

**ALL PRINCIPAL ROADS LEAD TO HILLSDALE
FINE ROSE GARDENS**

You are cordially invited to visit **HILLSDALE ROSE GARDENS** at any time. Our rose gardens are located at Hillsdale's main nursery, $\frac{1}{4}$ mile south of Castleton, 8 miles northeast of Indianapolis, with entrances on two main highways: 7800 Road 100 and 7800 (new) Road 37.

AN INVITATION TO HILLSDALE

Here at our nursery we have one of the largest and most beautiful rose and rock gardens in Indiana. Extensive ornamental shrub and evergreen plantings, and spacious perennial and rose gardens are maintained for the enjoyment of our friends and customers. We cordially invite you to visit them at any time; they will give you new ideas for making your own gardens more satisfying. You are also invited to use our facilities, by reservation, for your garden club picnic, or meeting.

LOCATION

The location of Hillsdale Main Nursery, Rose Gardens, Office and Supermarket Garden Store is 8 miles northeast of Indianapolis, and $\frac{1}{4}$ mile south of Castleton, Indiana. Hillsdale now is bordered by two main highways, with entrances from each of them leading into Hillsdale Gardens. These entrances are:

7800 NEW ROAD 37

7800 N. SHADELAND (ROAD 100)

HILLSDALE SELF-SERVICE ENLARGED SUPERMARKET

Here at our main nursery we now operate a modern self-service Super-Market Garden Store. For many years it has been felt there was a need for such a self-service store in connection with our nursery business.

In this new store, all items are plainly priced and the merchandise is conveniently packaged and placed for handy cash-and-carry purposes. Roses, dormant shrubs and small trees are all root-wrapped and priced, for Spring sales.

We also carry a large stock of many different brands of Insecticides and Fungicides; Fertilizers (organic and inorganic) and Plant Foods, Peat Moss, Potting Soils, Lawn Seed, and a full line of garden supplies of every description. Seasoned firewood is available all year in 18-, 24-, and 30-inch lengths. Delivered to your home, or may be picked up at the nursery.

Various flowering bulbs are available in season, also perennial and vegetable plants.

We invite all our customers and friends to "SHOP THE MODERN ONE STOP WAY" here at HILLSDALE NURSERY SUPER-MARKET.

We invite you to visit our "TRIM & TINSEL SHOP"—Thanksgiving 'till Christmas, for a vast array of Christmas items. We offer a gigantic collection of domestic and imported ornaments, lights, trimmings, gifts, etc.

Select from a huge stock of nursery grown fresh cut and live Christmas trees. Large Christmas trees are a specialty with us, reserve one early for your home, church, school or place of business. Fresh cut greenery, roping or hand made wreaths are available at attractive prices. Gardening gifts are attractively displayed for your selection. Flowering plants, beautifully decorated, are always a perfect gift for that "special someone."

Make a visit to HILLSDALE'S TRIM & TINSEL SHOP a "must" during your preparation of the Holiday Season.

ROSES

Remember — "Hillsdale Roses Are Always Better and They Cost No More!"

See our ROSE FOLDER for a list of over 200 varieties! Each one is described and priced and list includes: Hybrid Teas, Grandifloras, Floribundas, Climbers, Tree Roses and Miniatures.

Ask or call in for your copy of our New Rose Folder!

Hillsdale Dormant Root-Wrapped Roses are available from March 15 until latter part of April. Early selection while our entire list of the many varieties is available will avoid disappointment. Early planting of Dormant Roses is recommended. Hillsdale Dormant Rose plants are the same No. 1 quality plants as the famous Hillsdale POTTED ROSES—and the saving is 50c per plant by buying them dormant.

We offer only the No. 1 grade two-year-old field-grown plants. Each variety has been tested in our gardens. This assures you of receiving hardy, vigorous plants which will have beautiful blooms in abundance from varieties well adapted to this section of the Middle West.

Hillsdale Potted Roses are ready May 1st. Our Hillsdale Potted Roses can be planted in your garden at any time during the growing season, and if planted correctly will show not even the slightest wilt of foliage, buds or blooms.

We have recently installed huge cold storage facilities with controlled humidity to keep all dormant plants in perfect condition, and full of life. This is another reason Hillsdale roses, and all other plants are "always better and cost no more."

LANDSCAPE DESIGN DEPARTMENT

We maintain a thoroughly trained landscape organization whose members, after years of study and invaluable practical experience, have attained rare skill in the designing and planting of gardens, both large and small, of unusual beauty and merit. We want all of our customers to realize that we consider no job too small or too large to command our best efforts and finest skill.

Without charge or obligation we will have one of our experts visit your grounds. He can give you an estimate of the small charge for preparing your plan. This plan would include a list of the proper plants required to produce the effects you desire. Also, it would be so prepared that you could complete the planting at one time, or spread it over a period of years. It would show the proper location of the house, drives, walks, pools, benches, patios and every plant. The value of such a plan must be apparent to everyone.

LANDSCAPE SERVICE DEPARTMENT

The members of our landscape service department are thoroughly trained and experienced in all phases of landscape construction, planting and service. And their equipment is the newest and most modern machinery available. The methods used by our men are the ones we have found best from actual experience of over 40 years, and they result in the highest quality work.

PLEASE READ CAREFULLY

PRICES AND DELIVERY: Prices in this list cancel all previous prices and quotations. These prices are subject to change without notice and they apply only to stock available on receipt of order. Prices given in this list are F.O.B. our nursery at Castleton, Ind.

Higher prices will be charged for specimens of higher quality selected by the customer or his representative.

These prices do not include packing costs; all packing and boxing expense will be charged at cost.

We have one free delivery day each week (Friday) when local orders amounting to **\$3.00 and over**, are delivered within a ten-mile radius of our Nursery without charge to our customers.

A special-trip delivery on orders for **\$30.00 or over** will be made, within ten miles of our Nursery, without charge to our customers.

A special-trip delivery on orders for **less than \$30.00** (on any day but Friday) within a ten-mile radius, will require a minimum delivery charge of \$2.50.

Cost of delivery by truck to more distant points will be quoted upon request.

GUARANTEE: Our nurseries are frequently inspected and intensively sprayed or dusted. We guarantee our plants to be true to name and size specified, up to grade, full count, and in good healthy condition when they leave our nurseries. We use the greatest care to have all our trees and plants true to name and will replace any that prove untrue, or will refund the purchase price. Under no circumstances will refund be in an amount greater than that of the original purchase price of the item replaced.

Because of the perishable nature of nursery stock and the fact that we have no control over the treatment and care of nursery stock after it leaves our hands,

we give no warranty, expressed or implied, as to growth or productiveness of fruit and bloom of the nursery stock we sell. Plants are living organisms and their success depends upon the care given them.

Only a customer who has established credit with us may use the charge account plan in making payment. In this case we allow a 1% discount for cash within 10 days from date of invoice. All charge accounts are due within 30 days from date of our invoice on net basis. Guarantee void if payment is not made as specified on Order.

REPLACEMENT GUARANTEE ON NURSERY STOCK:

All dormant stock, including roses, trees and shrubs which fail to leaf out within 60 days, and we are notified within that time, we will replace once without cost. If such stock cannot be replaced dormant, the customer will be charged the difference in price of balled or potted stock.

Nursery stock sold or planted by us which fails to survive within one year from purchase or planting, will be replaced at one-half the original cost.

Roses and other nursery stock are not guaranteed against loss by winter injury.

Cash register receipt or cancelled check must accompany dead plants. All guarantees void if payment has not been made as specified or proper care not given plant material. All nursery stock guaranteed to be true to name and grade. We shall replace such within 5 days of purchase upon receipt of satisfactory evidence, not to exceed purchase price.

On all cancellations or returns a processing or handling charge will be made, or withheld from down payment; 20% on stock dug on order, 10% on other merchandise.

Our guarantee does not cover plants which may die because of damage by storm, fire, explosion, water, improper drainage, insect damage, or by any other unnatural causes beyond our control.

CLAIMS: Our method of handling and packing stock is modern, and plants will be in good condition and well packed when they leave our hands. All our prod-

ucts are shipped at the purchaser's risk. Our responsibility ends upon delivery to the carriers. All claims for errors must be made within six days after receipt of nursery stock, or they positively will not be considered.

If goods suffer through delay or damage in transit, claim should be made at once to the agent of the transportation company at the point of delivery.

EVERGREENS

Our evergreens are carefully grown and generously spaced to allow symmetrical development. They are root and top pruned into handsome, shapely specimens that will transplant with ordinary care. We dig all our evergreens with balls of earth and wrap them in burlap without additional charge. Sizes priced indicate height unless spread is specified.

BROAD-LEAF EVERGREEN SHRUBS AND VINES

Here are some of the choicest shrubs, notable for both evergreen foliage and highly prized flowers. They are very useful in foundation plantings, in shrub borders and as specimens. Included also are some valuable evergreen vines that make fine wall covers. All shrubs and vines will be dug with balls of earth and wrapped in burlap without any additional charge.

DECIDUOUS TREES

Our trees have been grown with the greatest care and transplanted several times to insure a fibrous root system for good vigorous growth and quick development.

All trees are dug with a ball of earth and wrapped in burlap without any additional cost. Prices are quoted at the nursery. For delivered prices see pages 21 & 22.

Garden and Lawn Supplies, Small Fruits, Roots, Etc.

Available at Hillsdale's Enlarged Self-Service Garden Store

In addition to DORMANT ROOT-WRAPPED ROSES, SHRUBS, PLANTS, and SMALL TREES, SMALL FRUIT, etc., a full and complete line of GARDEN and LAWN SUPPLIES is carried in the sprawling Hillsdale Garden Store. Everything needed by the gardener in the way of seeds, supplies and garden and lawn tools can be quickly selected with the utmost ease, as the counters are always well stocked with every lawn and garden need. You'll enjoy shopping here!

During the spring months we sell in our self-service SUPER-MARKET Garden Store freshly wrapped dormant plants of the following small fruits:

CURRENTS

GRAPES

STRAWBERRIES

BLACKBERRIES

BOYSENBERRIES

RASPBERRIES

GOOSEBERRIES

BLUEBERRIES

Garden Roots are also wrapped and ready for quick and convenient selection, with illustrative pictures and descriptions of the various varieties posted over the well-stocked bins of such items as:

ASPARAGUS

HORSERADISH

RHUBARB

ANNUALS AND VEGETABLE PLANTS

Geraniums, Petunias, Asters, Zinnias, tomatoes, cabbage, peppers, and all other annual plants used by the Indiana gardeners are available in May and early June.

DUTCH BULBS

Every fall we import directly from Holland many varieties of Tulips, Hyacinths, Narcissus, Jonquils, Crocus, Lilies and Iris. These are always top quality bulbs—no culls or second grades here! In spring, there are Amaryllis Hybrids, Begonias, Bleeding Heart, Cannas, Dahlias, Gladiolus, Gloxinias, Lilies and Peonies. You will not find a more complete selection of first-quality bulbs and roots anywhere!

HARDY PERENNIALS

We carry a large variety of hardy Perennial Plants; these are available during the early spring and fall. Many of our plants are field grown and are many times larger than seed-beds plants. We are constantly adding new and rare varieties to our extensive collection. Come out or call us regarding the varieties you desire. (WRAPPED plants are available in spring.)

LARGE SHADE AND ORNAMENTAL TREES

We are now able to offer the use of one of the largest types of automotive tree movers available today. With this modern machine we can successfully transplant

mature trees up to 12 inches in diameter in the most efficient manner.

If you are interested in larger size trees than listed in this price list, contact us for we can quote on various sizes in many different varieties of large shade and ornamental trees. These large trees can be planted by us from late fall until early spring. Plant a big tree and save years of waiting for shade!

SMALL FRUIT TREES

During the Spring Dormant season, from the middle of March until the end of April, every kind of fruit bearing tree which thrives well in the middle west may be had at Hillsdale Garden Store. All these trees are approximately 11/16" in diameter, and all have had the roots carefully wrapped by our experienced nursery workers to protect the root systems and keep them in good growing condition until customers can make their selections. We have recently installed high cold storage facilities for storing all dormant trees and shrubs. As needed, they are taken to cool temperature bins in a special dormant plant sales area of our garden store. After May 1st many varieties of small trees, shrubs, small fruits, and garden roots are available potted and growing in cans. Many varieties of all of these fruit trees are offered:

APPLES and DWARF APPLES

APPRICOTS

CHERRIES and DWARF CHERRIES

PEACHES and DWARF PEACHES

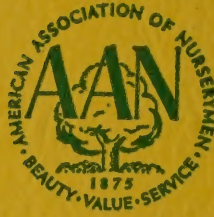

PEARS and DWARF PEARS
